

ELIZABETHTOWN WATER TREATMENT PLANT TOUR & NETWORKING SOCIAL

hosted by the PA-AWWA YP's,
CPWQA & PA ASCE

APRIL 11, 2018

TOUR: 4:00PM
SOCIAL: 5:30PM

ETown Plant Tour:

E-town Water Treatment Plant
211 W. Hummelstown St.,
Elizabethtown, PA 17022

Time: 4:00PM-5:00PM

Plant Information:

ETown WTP produces approx. **1.3 MGD**. About 25% of that comes from surface water at two locations that is treated by the plant. The remaining comes from 7 deep wells.

The facility utilizes a **PALL Aria FIT** packaged system. Designed to be operator friendly, this is a low-pressure membrane system with a modular design for small footprints.

Networking Event:

Lucky Ducks Bar & Grille
45 North Market St.
Elizabethtown, PA 17022

Time: 5:30PM-7:00PM

DETAILS: Meet at the Elizabethtown Water Treatment Facility office entrance.

EVENT FEE: \$5 (credit card/check). Appetizers will be provided. Cash bar available (must be 21 or older to consume alcohol).

RSVP: Visit <https://tinyurl.com/ETownWTPRegister> to RSVP
Please RSVP by end of day on April 4, 2018.
